

Canyons Education Foundation Foundation Innovation Grant Application

Teachers can apply for a Foundation Innovation Grant to fund projects between \$1,000-\$10,000. All educators in Canyons School District are eligible to apply for funding to implement worthwhile and innovative projects related to student achievement. All grants for less than \$1,000 should be loaded on **DonorsChoose.org** for private funding.

Individual teachers or teams of teachers may submit applications for project funding. If a team of teachers receives a winning grant, the equipment must stay in the school where the grant originated. Individual teachers may transfer equipment *if* they are moving to another CSD school.

Applications, which will be reviewed by the Foundation Innovation Grant Committee, are due by **5:00pm Friday, September 29, 2017**. Grants will be awarded in November.

The budget sheet must list the anticipated materials, the cost of each item(s), taxes, and any shipping and handling fees. Download the grant budget spreadsheet at www.foundation.canyonsdistrict.org. Understand that purchases will be made by the district and not by individual grant recipients.
